

## Coaching at the Saints Athletics Club

### Expressions of Interest Sought

The Saints Athletics Club is one of the premier athletics clubs for male and female athletes in South Australia. Over the many years of local competitions, the club has secured many Open and Junior Men's titles and has recently won its first Open Women's title. The club has also produced many world class athletes who have gone on to represent Australia at international competitions.

The Saints Athletics Club is committed to supporting athletes for all athletics events and is currently looking for coaches to help develop and educate athletes from all age groups and of all capabilities. The club is interested to hear from established coaches as well as those at the beginning of their coaching career.

Coaches will be recruited depending on demand, need and agreed conditions - including upholding the Club's values. The club will give preference to coaches who have achieved an accreditation in coaching track and field events such as those provided by Athletics Australia, Athletics SA or Little Athletics SA.

Coaches would be required to fulfil the following:

- Hold at least one training session a week during the summer season
- Attend ASA competitions to support competing athletes
- Hold a current National Police Clearance or be willing to obtain one.

The Saints Athletics club has access to equipment and grounds required for all athletics events at St Peter's College. This includes access to a gym and swimming pool. Club coaches are welcome to use these facilities to train Saints Athletic Club athletes. Alternatively, coaches may coach club athletes at other suitable locations pending committee approval.

If you are interested in joining the club please contact the club Secretary Hans van Bavel at:
